4. The following is an examiner's statement of reasons for allowance:

Claims 12, 13, 15, 24, 26, 35, 37, and 39-46 are considered allowable for the following reasons. The applicants' arguments at pages 9-13 of the amendment filed August 13, 2004 has persuaded the Examiner to allow claims 12, 13, 15, 24, 26, 35, 37, and 39-42. Newly submitted claims 43-46 are also considered allowable over the prior art of record because the prior art of record does not suggest, disclose, or teach a method of selecting, for a first block of a first image based on an array of pixels, a similar block of a second image based on the array of pixels, the method including particularly steps (ii), (iv), (v), and wherein step (iv) is terminated upon any of a plurality of one termination criterion being satisfied, at least one termination criterion being
